## 20 AND 25 TON GIN POLE TRUCKS

**McADA'S CUSTOM-BUILT, HEAVY-DUTY TRUCKS ARE DESIGNED SPECIFICALLY FOR THE RIGORS OF THE OIL FIELD.**

- Custom-built, heavy-duty Peterbilt tractors
- Custom McAda-designed, heavy-haul truck beds, rigged with winches and gin-poles
- Used when your loading and offloading equipment requires lifting and placing capability
- Critical for loading, transporting and offloading equipment where worksite space is congested or offers limited access
